CURRICULUM VITAE

Anastasia Kelekis-Cholakis

Dean, Dr. Gerald Niznick College of Dentistry, Rady Faculty of Health Sciences
Associate Professor, Division of Periodontics
Department of Dental Diagnostic & Surgical Sciences
University of Manitoba

D113-780 Bannatyne Avenue
Winnipeg, Manitoba R3E 0W2 Canada

Phone: (204) 975-7765

Fax: (204) 272-3077

Email: Anastasia.Cholakis@umanitoba.ca

PROFILE

Languages

Fluent in English, French, Greek and Italian

Post-Secondary Education

May 1998	Dip. Perio	Diploma in Periodontics	University of Manitoba
May 1992	DMD	Doctor of Dental Medicine	University of Manitoba
May 1988	BA	Bachelor of Arts	University of Winnipeg

Memberships/Fellowships

American Dental Educators Association Deans Committee (**Member**)
Association of Canadian Faculties of Dentistry (**Board**)
Fellow of the Pierre Fauchard Academy
Fellow of the Royal College of Dentists of Canada
American Academy of Periodontics (**Member**)
Canadian Academy of Periodontics (**Member**)
Canadian Dental Association (**Member**)
Manitoba Dental Association (**Board**)
Manitoba Society of Periodontists (**Member**)
Women in Science, Development, Outreach and Mentoring (WISDOM) (**Board**)

CLINICAL DENTAL PRACTICE AND MANAGEMENT EXPERIENCE

1998	Foundation of SouthWest Specialty Group (SSG) Interdisciplinary dental specialty practice
1998-Present	Full scope of practice of Periodontology
2000-Present	Expansion of SSG to include: two orthodontists, two oral pathologists, one oral surgeon, three periodontists and one prosthodontist. Serving over 8,000 patients.
2006-2009	Manager Graduate Periodontal Clinic - University of Manitoba

ACADEMIC EXPERIENCE

Teaching Appointments

All Teaching Appointments have been with the Dr. Gerald Niznick College of Dentistry, Rady Faculty of Health Sciences, University of Manitoba

2019- Present	Dean, Dr. Gerald Niznick College of Dentistry
2010 – Present	Associate Professor, Dental Diagnostic & Surgical Sciences
2010	Tenure and Promotion to Associate Professor
2012 – 2019	Director, Graduate Periodontal Program

2010 – 2012	Acting Director, Graduate Periodontal Program
2009 – 2010	Director, Undergraduate Periodontal Program
2006 – 2009	Clinic Manager, Graduate Periodontal Clinic & Instructor, Undergraduate Periodontal Clinic
2004 – 2006	Lecturer, Third Year Dentistry, Periodontal Course Clinical Instructor, Third Year Dentistry
1998 – 2004	Clinical Instructor, Third Year Dentistry
1993 – 1994	Teaching Assistant, Second Year Operative, Lab. Demonstrations

Awards and Honours

2021	Elected by peers to the International College of Dentists
2019	Certificate of Appreciation, Manitoba Dental Association
2017	Elected by peers to the Pierre-Fauchard Academy
2014	Certificate of Appreciation, Canadian Academy of Periodontology
2012	American Academy of Periodontology Dental Educator Award for Outstanding Teaching and Mentoring in Periodontics
2011	Dean's Award of Academic Excellence
2009	Graduate Periodontics Teaching Award
2009	Dean's award of Excellence in Periodontics Teaching to Dentistry 4 Students.
2009	Dean's Award of Excellence in Classroom Teaching to Dentistry 3 Students
2007	Dean's Award for Excellence in Classroom Teaching to Senior Students.
1988	University Gold Medal, University of Winnipeg

RESEARCH & SCHOLARLY ACTIVITIES
--

Thesis

1998 Dip. Perio Thesis on "Analysis of the antigenic structure of *A. naeslundii* ribotypes from a single individual." Faculty Supervisor: Dr. G. Bowden.

Research

1. Evaluation of implants with platform switching and Morse-taper connection supporting maxillary overdentures with a conometric retention system (H2014:006)
2. Periodontal Health as a predictor of major vascular events after non-cardiac surgery (VISION study- Grant \$25,000) (HS11140).

Supervising Masters Theses / Research Advisory Committee Member

2022	Dr. S. Ohnander	Videoscope-assisted lateral maxillary sinus floor elevation: evaluation of the Schneiderian membrane for micro-tears.
2021	Dr. C. Sgarbanti	A comparison of the efficacy of water flosser to interdental floss around dental implants: a randomized controlled trial and a qualitative study of patients' perceptions.
2018	Dr. J. Cabrales	The efficacy of adjunctive antimicrobial photodynamic therapy for residual pockets in previously surgically treated teeth: a randomized clinical trial.
2017	Dr. D. Roemermann	Comparison if the effect of Teflon vs non-teflon hand scalers in the maintenance of peri-implant tissue: a randomized clinical trial.

2017	Dr. J. Bouwer	Volumetric changes of hard and soft tissue following alveolar ridge Preservation.
2016	Dr. C. Stavropoulou	Comparison of a cyanoacrylate tissue adhesive to PTFE sutures in the donor site of connective tissue grafts: a randomized control clinical trial.
2016	Dr. N. Hamdan	Members of the sphingolipid metabolic pathway sphingosine kinase (SK) and sphingosine 1-phosphatase (S1P) are upregulated in the human inflamed periodontium.
2016	Dr. G. Nwachukwu	Evaluation of plaque control using two different protocols around single crown dental implants in maintenance patients: a randomized clinical trial.
2016	Dr. M. Castro	Long term comparison of ultrasonic and hand instrumentation in the maintenance of peri-implant tissues: a randomized clinical trial.
2015	Safa Naghipur	12-year survival of two surface composite resin and amalgam premolar restorations placed by dental students. (BSc Dent.)
2014	Dr. X. Xiang	Assessment of the effect of glycemic control on periodontal tissue oxygenation in diabetic patients by optical spectroscopy.
2014	Dr. C. Bonnet	The relationship between vitamin D and periodontal disease.
2013	Dr. G. Buttar	Association between periodontitis and arthritis.
2013	Dr. A. Gomez	Evaluation of inflammatory periodontal disease with infrared spectroscopy a longitudinal study.
2012	Dr. R. Gadza	A retrospective study of peri-implantitis in a private practice setting.
2012	Dr. H. Hosseini	Prevalence and risk factors for periodontal disease in community dental health clinics.
2012	Dr. T. Wierzbicki	Cytokine and prostaglandin expression in primary human osteoblasts under inflammatory conditions.
2010	Dr. M. Nematollahi	A pilot study on the impact of systemic sclerosis (scleroderma) on oral and periodontal health.
2010	Dr. C. Cameron	An atlas of periodontal procedures.
2010	Dr. E. Lo	Provision and timing of interceptive orthodontic treatment by certified orthodontists and pediatric dentists in Canada. (MSc Ortho).

ADMINISTRATIVE AND LEADERSHIP EXPERIENCE

Throughout my tenure at the Dr. Gerald Niznick College of Dentistry I have served on a variety of committees both as a member and as a chair and have served as a national and international member of several organizations.

I started my decanal position in 2019, a few months prior to the start of the COVID-19 pandemic in Canada. Our college operates the largest dental clinic in Manitoba. Like all dental clinics in Canada, we had to pause elective clinical care at the end of March 2020 but continued to provide emergency care not only for our patients but for any patients in need, in Manitoba and Northwestern Ontario. We organized through a collaboration with the Health Sciences Center Hospital, a team of faculty and private practice volunteers to triage, and treat emergencies such as infections, abscesses, biopsies or dentoalveolar trauma that were referred to us from in and out of province.

During that time, I served on the UM COVID-19 Health and Safety committee, as a member and eventually as chair; I was also part of the University COVID-19 Recovery Steering Committee. The following initiatives were developed in our college and completed over the last 3 years:

- Transition from paper records to fully electronic health records
- Development of new Infection Control and PPE policy
- Re-organization of Central Clinical Support Services resulting in excess of \$500,000 in savings
- Completion of the Dr Gerald Niznick College of Dentistry Strategic Plan
- Accreditation by the Commission on Dental Accreditation of Canada (CDAC)
- Acceptance and signature of first anti-racism charter in a dental school in Canada
- Development of a capital infrastructure plan
- Initiation of a comprehensive curriculum review
- Initiation of major fundraising for the development of new clinical facilities and a patient endowment fund

Service to the Faculty / University

2022-Present	Member of the Deans and Directors' Council
2019-Present	Rady Faculty of Health Sciences, Deans and Vice-Deans Committee
2018-Present	Member Rady Faculty of Health Sciences Executive
2020-2022	Member of University of Manitoba COVID-19 Steering Committee
2019-2022	University of Manitoba, Health and Safety Committee

Standing Committees

Undergraduate

2014-Present	Chair of Dental College Council Executive
2019-Present	Chair of Dental College Council
2017-2020	Member of Accommodations Committee
2018-2020	Member of Essential Student Abilities Committee
2010-2011	Member of College of Dentistry Student Appeals Committee
2014-2020	Chair, College of Dentistry Student Appeals Committee

Graduate

2012-2019	Member of Faculty Council, Faculty of Graduate Studies
2012-2017	Member of Faculty of Graduate Studies Appeals Committee
2014-2020	Chair, Graduate Periodontal Program Clinic Administration Committee
2014-2020	Chair, Graduate Periodontal Program Curriculum Committee
2014-2020	Chair, Graduate Periodontal Program Research Committee Committee of Graduate Periodontal program

Ad hoc Committees

2022	Chair of Digital Infrastructure Committee
2020	Member of the Faculty of Architecture Decanal Search
2012-2018	Chair, Implant Contracts Committee- have negotiated over \$500,000 of donations in kind.
2015-2016	Member of Graduate Orthodontics Admissions Committee
2015	Member of Targeted Academic Recruitment Committee
2014	Member of Targeted Academic Recruitment Committee
2014	Member, Search Committee, Oral Maxillofacial Radiologist
2013	Member, Search Committee, Academic for Oral and Maxillofacial Surgery
2012	Member, Search Committee, Academic Periodontist for Undergraduate Dentistry
2012	Member, Search Committee, Academic Periodontist for Graduate Dentistry
2011	Chair, Organizing Committee, Diagnosis Symposium 2011 hosted by DDSS.
2007	Chair, Fundraising Committee, Upgrade of Periodontal Graduate Clinic
2007	Chair, Reunion Committee, Alumni of the Periodontal Graduate Program

Service to Professional Associations

2019-Present	Member of Association of Canadian Faculties of Dentistry (ACFD) Deans Committee- assuming chairmanship in June 2023
2019-Present	Member of the American Dental Educators Association Deans Committee
2022-Present	Member of Dentistry Accreditation Review Committee for CDAC
2018	Federation Dentaire Internationale (FDI): invited participant and position paper
2018-19	Manitoba Dental Association subcommittee – General Practice study club
2017-18	Manitoba Dental Association subcommittee – Fluoridation
2017-2018	Manitoba Dental Association subcommittee –Student Mentorship
2017-2019	Member of the Board of the Manitoba Dental Association
2016- 2019	Co-chair and founder of the Women's Dental Network

- 2014 Member, North American Advisory Council, Nobel Biocare, USA
- 2009 - 2014 Manitoba Dental Association Task Force on Dental Office Assessment
- 2011 CPD for Dentistry planning committee
- 2009 Manitoba Dental Association sub-committee to develop a scaling module for Dental Assistants
- 2006-2015 Member and Presenter, Winnipeg Esthetic Study Club
- April 2004 Co-Chairwoman, Organizing Committee, Canadian Academy of Periodontics Annual Conference to be hosted in Winnipeg, MB
- 2003 - 2004 Board Member, Canadian Academy of Periodontology Board in the capacity of National Insurance liaison

Leadership training

- 2023 The five behaviours of a cohesive team- Pdraig Coaching and Consulting
- 2022 Rady Faculty of Health Sciences Network for Women Leaders- training for women in academic administration.
- 2019 Academy for Advancing Leadership- 3-day course for Chairs and Academic Administrators Management Program.
- 2019 Center for Higher Education Research and Development (CHERD)- Senior University Administrators.

SERVICE

Service to the Profession and Other Professional Organizations

- 2000-Present Founder of Canadian Dental Institute (CDI) - a PACE-accredited continuing dental education provider in Winnipeg that provides free seminars to dentists, hygienists and dental assistants.
- 2018-Present Founder of Hy-Perio, a study group for practicing dental hygienists
- 2018-Present Executive member of WISDOM (Women in Science: Development, Outreach and Mentoring) at the University of Manitoba. I was asked to join this group as a representative of the Dr. Gerald Niznick College of Dentistry.

Provision of dental care to underserved areas

At the invitation of residents and colleagues, I was involved, as part of a team, in the provision of oral healthcare services and educational training of local dentists on two occasions:

2016-Village of Hope, Zimbabwe: Under the guidance of a past internationally trained undergraduate dental student from Zimbabwe and the Associate Dean, Clinics, we were involved in screening and treating children from the Village of Hope and surrounding area in Harare for 10 days. In addition, we visited and donated supplies and equipment to the Dental School in Harare and delivered a lecture to the Zimbabwe dental association.

2012-Kampala, Uganda: We screened and treated children from the largest slum in Kampala for one week. We left our equipment behind so it will be utilized by a new group that will be heading there this year. During my visit there I trained a local dentist in surgical extractions and suturing and left him my equipment and supplies for his use.

Professor Dimopoulos,

Please accept this expression of interest to serve on your Board of Governors as a member at large. I believe my experience in University governance and my credentials as a healthcare provider and an educator from a Canadian University give me a unique perspective that would be useful to your institution.

My knowledge and training in certain areas such as governance, conflict resolution, mentorship, team building and leadership training may be of benefit to your University, especially if there is an interest in developing such supports for your faculty and students.

Throughout my tenure at the Dr. Gerald Niznick College of Dentistry I have served on a variety of committees both as a member and as a chair. My involvement has been both at a national and international level of several organizations. Most recently I was voted as the Chair of the Deans Committee of the Association of Canadian Faculties of Dentistry (ACFD). I am also a member of the Deans Committee of the American Dental Educators Association (ADEA).

My collaboration with colleagues transcends the boardroom. I have worked closely with many researchers and their teams, one of which was an invited team of experts from all over the world. We met in Switzerland and were involved in the Peri-Implant Disease Project to create position papers on the prevention of peri-implant disease and best practices in the maintenance of dental implants. The session was sponsored by the Fédération Dentaire Internationale and the International Congress of Oral Implantologists and our findings were published world wide.

As a proud Hellene, and coming from a background of long serving academics I would be honoured to serve on the Board of Governors of your university and support the interests of the National and Kapodistrian University.

Thank you for considering my application, please do not hesitate to contact me should you have any questions

Kindest Regards,

Anastasia Kelekis-Cholakis
